

Project Hebron is an undertaking to purchase, develop and pay for a national headquarters for Victory Churches of the Philippines, which is currently 38 churches strong and growing. There is a great need to have a facility that can house their offices, a training center for leaders and their international Bible School.

The good news is that, through sacrifice, national commitment and vision casting, this project is becoming a reality. A \$50,000.00 investment from Victory Churches Canada has contributed to the purchase of a building that they are currently renovating to house their operations.

At present, there is an outstanding balance of \$87,000.00 and once that is met, they will own the facility outright. VCA Philippines is currently raising money to meet this need. As Victory Churches Canada, we have purposed to make helping with this need, one of our special projects this year. On June 12, 2022, which happens to be Philippine Independence Day, we are asking our Canadian churches to receive a special offering to help with this.

We are asking that you present this project to your congregation to see if it resonates with them. Pastor Rich and all his leaders appreciate that you would even consider this. You can find a video of the project on the VCC website [victorychurchescanada.org](http://victorychurchescanada.org) so that you can view it with your entire congregation.

As a Canadian Executive, we thank you in advance for your willingness to partner with them and for your generosity.

Greeting From Pastor Rich:

Dear Victory Pastors,

We can't thank you enough for your willingness to help Victory Churches in the Philippines to have our own national headquarters and Bible School. This is a dream come true! Although there are lots of renovations and improvements still to be done, we will start in person classes this June.

The purchase of this building and how we were able to get a loan etc. is all truly a miracle. Again, I cannot thank you enough for your help. May the Lord bless you back a hundred fold!

Yours in Christ,  
Pastor Rich Conte
