

Victory Christian School in Kisumu Kenya is one of the few Christian schools in Kenya. They offer primary and junior high education to underprivileged children from very poor families in the community and surrounding areas. We need sponsors who are willing to partner in transforming the lives of children in Kenya.

Sponsoring a child's education is an incredibly rewarding opportunity that can transform lives and communities. By providing financial support, you enable a child to attend school, receive quality education, and access essential resources like books, uniforms, and meals. This not only empowers the child with knowledge and skills but also fosters hope and ambition for a brighter future. Your sponsorship can break the cycle of poverty, uplift entire families. It's a chance to make a lasting impact and witness the profound difference education can make in a child's life.

**Sponsorship Opportunities:**
