VCI Thailand Assists Flood Victims

Fall 2024 saw the worst flooding on the northern border of Thailand in the last 100 years. The congregation of Victory Church in Mae Sai, pastored by Kris and Tabitha Pagan, spent many hours bringing aid to the families who lost everything in the flood. They saw families come to the Lord as a result of caring for the people. Thank you Victory Churches for your contribution in assisting VCI Thailand.

A team from Grande Prairie, AB, led by Pastor Paul Juss, visited the home in November and took on many construction projects. Most importantly was the construction and erecting of a new water tower at the facility that will provide fresh clean water to everyone in the complex. A huge thank you to those who contributed to make all of this possible.

A Blessed Trip to Africa

In August of 2024, Pastor Brad Dewar, Dean of Victory Bible College, set out on a mission to three of the Victory Afro nations: Ethiopia, Kenya, and Tanzania, graduating Victory Bible College students in Ethiopia and Tanzania. He was blessed by what he found! The reports that have come out of the trip are encouraging and we are excited to see the fruit from this trip for years to come.
