

VICTORY GIVES HOPE TO THE HUNGRY

A CHRISTMAS MISSION OF COMPASSION

As the world prepares to celebrate the joy and warmth of Christmas, Victory – Giving Hope to the Hungry steps forward once again to bring light into the lives of those often forgotten. This feeding program has become a beacon of hope for street children and orphans across the globe, offering not just a nourishing Christmas meal, but a celebration filled with love, dignity, and the message of Christ. Each plate served is more than food—it's a reminder that someone cares, and that they are not alone.

This year, Victory is expanding its reach to include one of the most overlooked and vulnerable groups: the elderly. In many communities, aging individuals quietly suffer in isolation, struggling to meet even their most basic needs. With frail hands and weary hearts, they often go unnoticed. But not this Christmas. Victory is committed to honoring them with meals, companionship, and the Gospel message that brings eternal comfort. As Matthew 10:42 reminds us, "And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward."

We believe that every soul deserves to feel the warmth of Christ's love, especially during this Christmas season. But we cannot do it alone. Your donation can help us reach thousands more—children without homes, elders without families, and hearts without hope. With your support, we can offer not only a meal, but a moment of joy, a message of salvation, and a memory that lasts far beyond the holiday.

Let this Christmas be marked by compassion. Join us in giving hope to the hungry. Together, we can serve not just food, but faith, and fulfill the true spirit of the season.
