## COURAGE & COMMITMENT IN THE PAKISTAN CHURCH

In late October, a team of ten Canadian pastors traveled to Thailand to participate in the 2025 Asia Summit—a powerful gathering marked by vibrant worship, dynamic preaching, and rich fellowship. When the summit concluded, each pastor was sent out to a different Victory nation to encourage local leaders and strengthen the work on the ground. Pastor Dave Meyers visited Pakistan for the first time, flying into Lahore where he was warmly welcomed by Pastor Peter Jamshed, the apostolic overseer for the nation.

The ministry began immediately with a national conference for pastors and leaders, followed by visits to several of the more than 30 Victory churches across Pakistan. Pastor Dave also toured Christian schools and witnessed firsthand the remarkable dedication of the believers living in a nation where Christians make up only 1.4% of the population. Despite facing pressure — and at times danger — from the surrounding culture, the Pakistani church remains steadfast. Every service he attended was packed to overflowing, with congregations so eager to gather that chairs were removed to make room. In some locations, ushers carried both offering plates and AK-47s to ensure safety, a vivid reminder of the challenges believers face daily.

Pastor Dave returned deeply inspired by the courage, passion, and perseverance of Pastor Peter and his team. Their commitment to the Gospel is both humbling and motivating. He extends heartfelt thanks to every supporter whose prayers and generosity make this global mission work possible. As we look ahead, we are filled with anticipation for what God will accomplish through our international mission family in the coming year.
